

Powerful Preaching: the work of God's Word

2 Timothy 3:14-17

General Session 3—Mark Brock

We have all heard moving speeches, emotional stories, or exciting salesmen. The preacher's task is different. A powerful preacher does not preach his own message, but his power is from a powerful God working through his Word. By biblical preaching people are rescued from sin, repent, believe, brought to conviction, and transformed into the image of Christ—this is God's power!
