Establish Your Church in the Faith & Train Your Future Leaders

Workshop 14—Daniel Huffstutler

I. What is EABST?

Vision: Entrusting the Word to faithful men. Our goal is not merely to train pastors for their shepherding responsibilities but also to equip them to train the following generation of pastors to serve Christ with biblical faithfulness and practiced skill.

Mission: To glorify God by partnering with local churches in their mandate to entrust the Word to faithful men who will be able to equip the servants of Jesus Christ to make disciples of all peoples.
